4	Alfred Vishal A	Presenter	AI Generation & Summarization Demo	Implemented the AI Controller, geminiService.js, and both the AI Blog Generator and AI Summarizer flows	Active

Team Coordination Notes

Team Leader / Coordinator	Sivaraj S
Overall Team Coordination Rating (1-5)	5
Any issues during demo	The live AI Blog Generator call took close to 38 seconds, longer than the rest of the demo flow combined
How issues were resolved	The team pre-warmed the Gemini API with a test call a few minutes before the live demo slot and narrated the architecture on-screen while the generation call was in flight
